

International Student-Athlete Plans

CBIZ Sports makes it easy for international student-athletes to transition to the U.S. and compete without the stress of medical bills. Your athletes can focus on their sport while we handle coverage for inpatient and outpatient care.

Our primary insurance plans meet U.S. visa requirements and can be tailored to suit your program's needs:

- **Group plans for the student body:** Offers comprehensive coverage for all students.
- **Group plans for athletics:** Safeguard your whole team with a single comprehensive plan.
- **Individual plans for student-athletes:** Customized coverage for athletes competing in college sports.

Simplifying Healthcare and Reducing Costs

Ensure your department and athletes avoid unexpected medical bills. CBIZ Sports helps student athletes understand deductibles, copays, and coverage details, making healthcare clear, transparent, and easy to manage.

The CBIZ Sports Advantage

We offer athletic departments ongoing support on and off the field, providing long-term security, managing costs, and giving peace of mind.

- **Expert Guidance:** Fee-based, consultative service tailored to your program's unique needs.
- **Industry Insight:** Extensive knowledge of the college sports scene, beyond just insurance.
- **Consistent Communication:** Regular updates keep your department informed, confident, and in control.
- **Proven Results:** Decades of assisting athletic programs in reducing costs, managing claims, and safeguarding student-athletes – from initial consultation through ongoing claim support. Your satisfaction remains our top priority.
